One-Stop Resource

Since the annuity marketplace is a dynamic and often confusing environment, FSD Financial Services was created in 1991 to overcome this complexity while fulfilling your particular needs. FSD provides you with the expertise, technical support and comprehensive access to the complex annuity marketplace for:

EIA's	Equity Indexed Annuities
SPIA's	Single Premium immediates
SPDA's	Single Premium Deferreds
FPDA's	Flexible Premium Deferreds

In particular, FSD provides annuity designs for:

- 1035 Exchanges
- IRAs Rollovers
- Combos/Split Annuities
- Terminal Funding
- Deferred-Start Immediate Annuities
- Age Rated Immediate Annuities

Responsive Service

Our comprehensive approach brings together an international network of carriers and resources to provide you with a level of service unsurpassed in the wholesale brokerage community.

At FSD we are serious about providing the Financial Planning Professional with prompt efficient service, case design, technical assistance and broad market access.

In addition to supplying illustrations, we provide the annuity broker with all necessary forms and contracting, case submission, and post sale follow-up.

At FSD we recognize that your time should be spent prospecting and selling--so leave the processing to us. We continuously monitor the status of each submission for you for fast and accurate results

Information

FSD is dedicated to providing the information you need to assure that you are current on all relevant issues. For instance, we continually update and supply you with our FSD Deferred Annuity Guide--an easy to use SPDA spreadsheet featuring carriers & ratings, product information, and current interest & commission rates.

Our Carriers

FSD is a completely independent wholesale marketing organization working to meet our brokers' needs. We have developed relationships with many top-rated carriers wherein our selections are based on company ratings, product offerings and competitiveness.

FSD believes in the *value-added* approach to insurance marketing; this is why you can have piece of mind that we hand pick our carriers in an unbiased manner to assure this tradition. Our large number of carriers assures that we can provide the products you seek.

Internet Web-Services

Agents love the FSD website. It is easy to navigate and gives agents the ability to request immediate annuity quotes, get insurance company licensing paperwork and client brochures. Current interest rates & commissions from our companies are available in PDF format or for email delivery. Order professional sales kits, set up training sessions and much more!

Quality

FSD represents a variety of top-rated insurance carriers who are competitive while providing a client focused fixed annuity product line and responsive service departments.

Integrity

FSD provides an unbiased approach to product and company selection. We are completely independent and provide the products which best meet your clients needs.

Expertise

FSD provides sales and technical expertise based on many years of experience in the annuity marketplace. We believe in creativity while providing efficient services.
