

OCTOBER 18-26, 2017

VIKING OCEAN CRUISE

Venice, The Adriatic & Greece
Italy - Croatia - Montenegro - Greece

Commit now to joining our top producers in October, 2017 for a phenomenal 8-day **Viking Ocean Cruise** aboard their fabulous new ship, **Viking Sea**. After making its maiden voyage only one year ago, Viking Cruises was named the **#1 Ocean Cruise Line** by **"Travel + Leisure"** readers in the **World's Best Awards 2016**, overtaking the spot held for 20 years by Crystal Cruises.

Sail with us from **Venice** to **Athens** through the pristine Adriatic Sea as we explore seven different ports, many of which most of us have never visited. Beyond the ancient ruins of Olympia and the Acropolis, we will experience an in-depth exploration of picturesque **Split** and the cobbled streets. We'll tour the beautiful 12th-century walled city of **Dubrovnik**, where city meets coastline and visit historic **Kotor**, **Montenegro** which features Venetian walls constructed in 1420 and the Cathedral of Saint Tryphon, built in 1166 and the Maritime Museum. Next, we will stop in **Corfu** for a monastery tour, and finally, visit **Katakolon**, the original site of the Olympic Games. Along the journey, we'll enjoy several group meals, and there will also be opportunities to shop, explore and dine locally on your own.
